About Us

The Kids Cottage is a non-profit organisation managed by a volunteer Committee of parents and school community members. The Committee is a sub-committee of the Middle Harbour Public School Parents & Citizens Association (P&C).

Kids Cottage offers a high quality care with a variety of fun, active, creative and age appropriate programs. Kids Cottage Middle Harbour OOSHC offers Before and After School Care for the students of Middle Harbour Public School, as well as Vacation Care for the greater community.

The Centre currently caters for up to 230 children daily, which is separated into two groups for After School Care and two groups for Vacation Care, allowing for our programs to reflect the cognitive, social, physical and emotional development of each child. For Before School Care, we have the children all joined in one program.

Our program is play based and based on their inputs and interests of children and families. Staff document each age group's activity and one individual child's activity daily. We use the Xplor playground app, which sends to families Xplor home app. This app allows families to comment on their child's individual post, request casual bookings, notify when your child is absent and make payments on account.

About Us

Our Mission

To provide the highest quality standard of out of school hours care responding to the community's needs and contributing to the continuing education and wellbeing of children in our care

Our Values

These are the values that our organisation is built on. They are seen through everything we do at our centre, our behaviour and how we treat one and other.

We are:
Trustworthy
Collaborative
Inclusive & respectful
Child centred

Our essence: We create a sense of belonging for children, families, our staff and communities. Our child centred environment creates a sense of belonging where you feel safe, nurtured, respected, included and are allowed to thrive.

Our Philosophy

At Kids Cottage, we believe in providing an inclusive, age, age-appropriate, creative, active, and fun program with a variety of choice, in a safe, caring, and sustainable environment.

We believe in respecting individuality whilst challenging children's growth cognitively, socially, emotionally and physically, and encouraging the development of essential life skills.

We maintain that children have the right to feel safe and supported in their environment, and support this through developing secure and respectful relationships between the Educators and the children.

Child Safety

Kids Cottage is committed to providing a safe, inclusive, and nurturing environment where all children are respected, valued, and heard. We believe that the safety and well-being of children is everyone's responsibility and should be embedded in every aspect of our service.

We are committed to:

- Upholding the rights of every child to feel safe, secure, and protected from harm, abuse, and neglect.
- Embedding the Child Safe Standards into our culture, policies, and everyday practice.
- Creating a child-centred environment where children are empowered to speak up and participate in decisions that affect them.
- Promoting equity and inclusion by respecting diversity and supporting the needs of all children, including those with additional needs, disabilities, and from culturally and linguistically diverse backgrounds.
- Ensuring that all staff, volunteers, and visitors understand and act by their responsibilities under child protection laws and our Code of Conduct.
- Providing ongoing training and support to build a culture of vigilance, transparency, and accountability.
- Continuously reviewing and improving our child safety practices through regular feedback, risk assessments, and engagement with children, families, and the community.

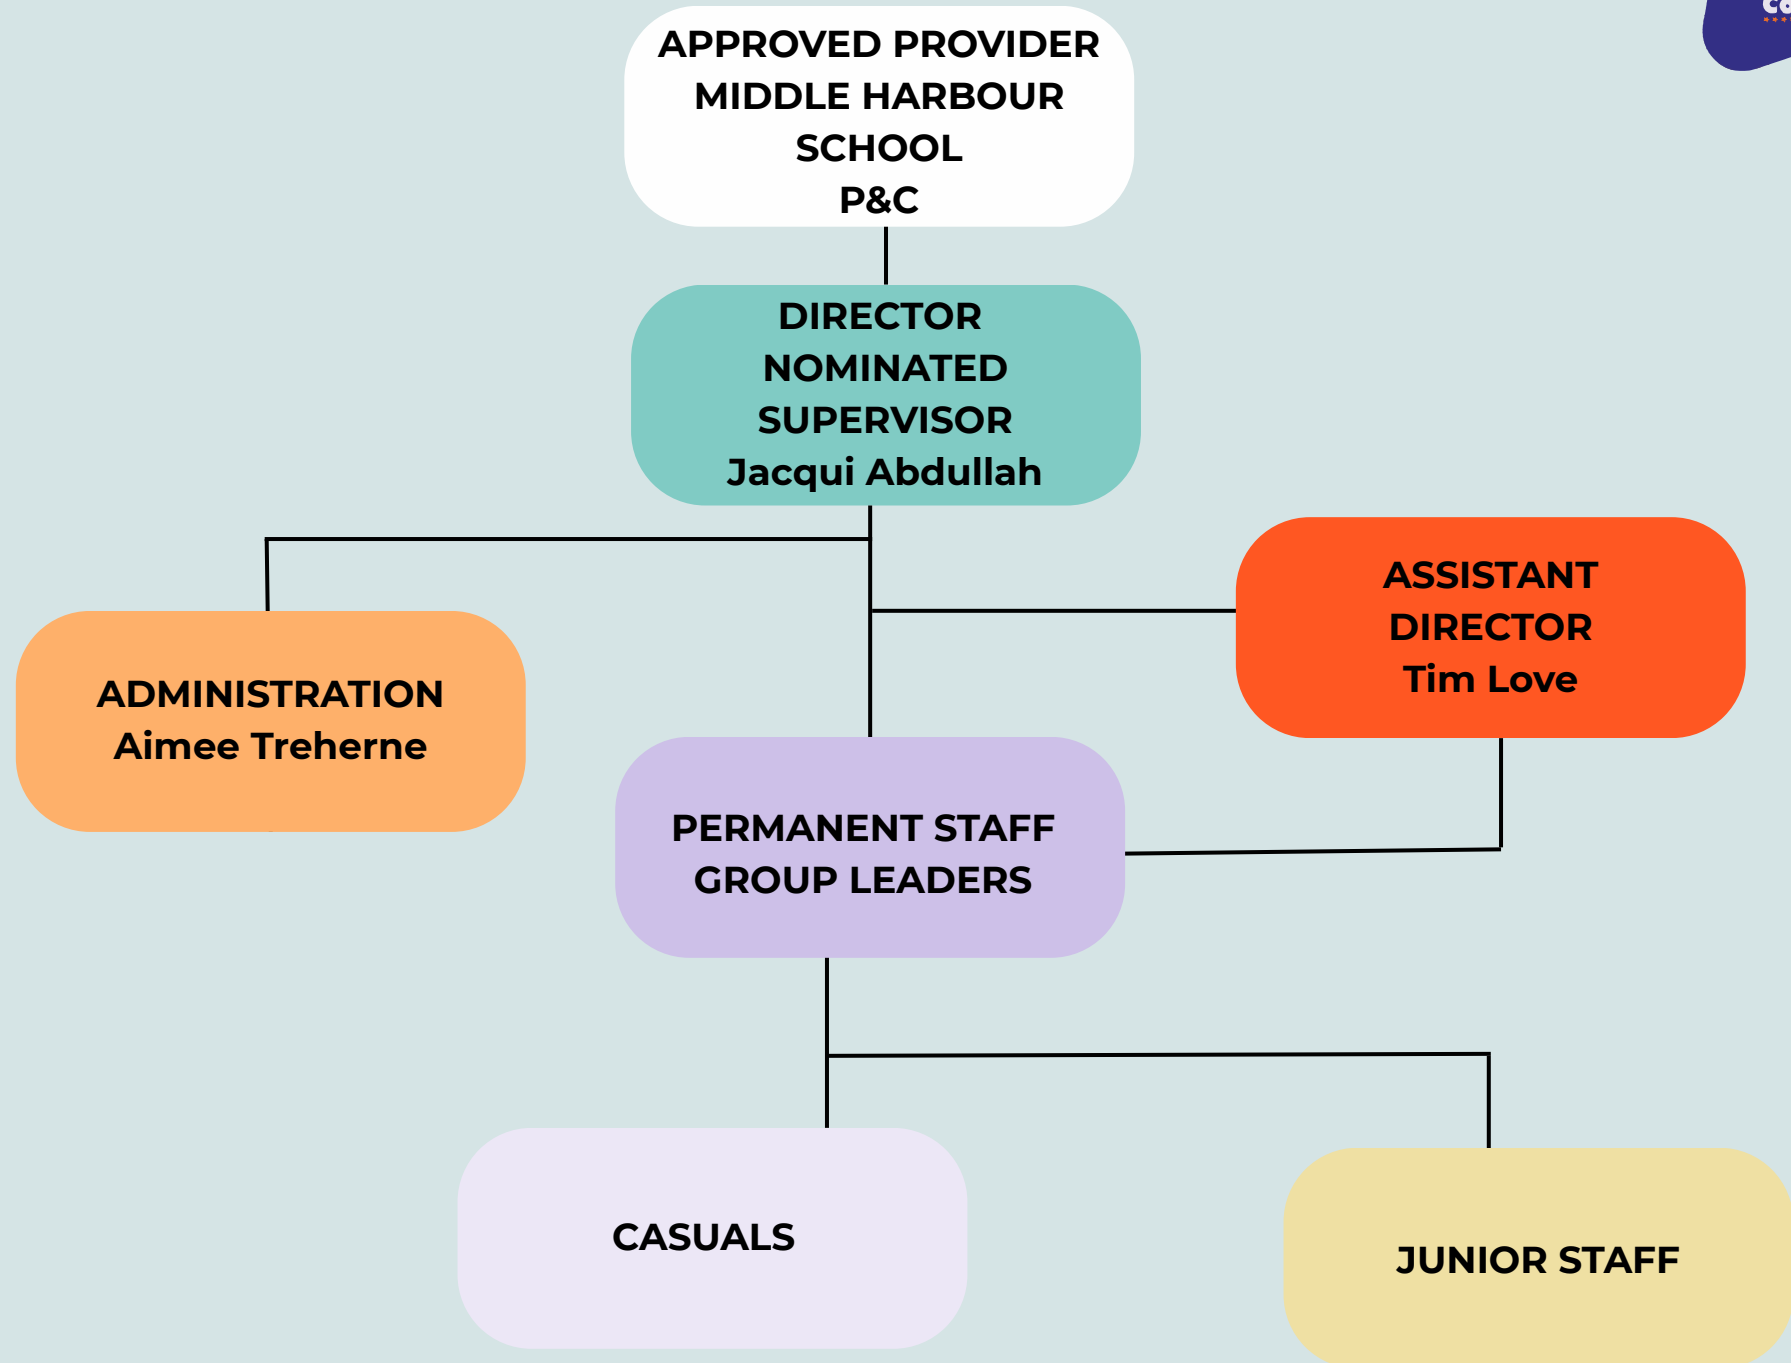

We are unwavering in our commitment to child safety and will take immediate and appropriate action to respond to any concerns or allegations of abuse or neglect.

Before and After School Care

Our diverse Before & After School Care Programs are developed by our Group Leaders and staff weekly following the ACECQA 'My Time, Our Place Framework' in collaboration with both the children and the Management Team.

We aim to offer inside craft or cooking and outside group activities along with providing space for spontaneity that is lead by the children's interests that day.

We are always open for suggestions so if there is an activity, craft or game that your child would like to play at Kids Cottage for before school care please let us know and we will get it on the Program! You have the option to receive private updates and photos of your child's progress at BSC & ASC via the 'Xplor Home' app

HOMEWORK

Each afternoon between 4:45pm-5:15pm we provide an opportunity and space for children to complete any homework on our laptops, under educator supervision.

Children and parents are to read and sign the Kids Cottage Tech agreement contract .

This is also a time that the children can complete their readers with our team more than happy to help.

Once they have finished the children can then go outside and join in the evening game.

Vacation Care

We run a jammed packed Vacation Care program each school holidays with lots of fun filled days planned to keep your children engaged and entertained.

Three separate programs are – K-2 excursion, 3-6 excursion, K-6 Incentre and developed during each school holidays to cater for the children's different developmental stages and interests.

Our excursions run Monday – Thursday for the 2 groups with an occasional combined K-6 excursion.

We offer daily Incentre activities for the K-6.

We aim to get our Vacation Care Programs emailed to you four weeks before the start of the school holidays so families have plenty of time to browse the program and get their bookings in.

Our Vacation Care Program is also open to non Middle Harbour Families from K-6 three weeks before the start of the school holidays.
